

Internship Program

Company Background

Syntecxhub is a forward-thinking company that bridges learning with practical experience. We provide internship projects across exciting fields like **Web Development, UI/UX Design, Frontend & Backend Development, Data Science**, and more, helping students gain real-world skills.

Our internships offer mentorship, hands-on tasks, and exposure to live projects, enabling students to enhance their knowledge, build confidence, and prepare for successful careers.

FRONT-END Development

Instructions

- Share your internship status on **LinkedIn** and mention **@Syntecxhub**.
- Upload your **entire source code** to **GitHub**, creating a repository named: **Syntecxhub_Project_Name**.
- You will receive **weekly tasks** that must be completed and submitted via the **Submission Form** within the given time.
- **you are required to complete at least one project.** Completing **multiple projects** is optional but **highly encouraged**, as it **demonstrates initiative and a deeper interest in learning**.

Project - 1

Quiz App

- Build a quiz app with multiple-choice questions.
- Show one question at a time with Next/Submit buttons.
- Display final score and restart option.
- Use JavaScript for question logic and score tracking.
- Apply clean design and simple transitions.

 **Example : Link 1, Link 2**

Project - 2

Image Slider / Carousel

- Create an image slider with next/previous buttons.
- Enable auto-play using JavaScript intervals.
- Add slide indicators (dots).
- Smooth transition animation between slides.
- Make it mobile-friendly and responsive.

 **Example : [Link 1](#), [Link 2](#)**

Project - 3

Tabbed Content Section

- Design a section with multiple tabs (e.g. Overview, Info, Contact).
- Display different content when clicking on tabs.
- Use JavaScript to switch visibility dynamically.
- Highlight the active tab visually.
- Add smooth transitions between tab content.

Submission Details

- 
- Each task consists of **three projects**. Every intern is **required to complete and submit at least one project** from each task.

- Completing all assigned weekly tasks is **mandatory** to successfully finish the internship. If an intern fails to complete the required projects, the internship will be considered **incomplete**, and the **certificate will not be issued**.

- Please ensure that all completed projects are submitted through the official **Submission Form** to confirm your **successful participation in the internship program**.

Thank You.
